

Herne Bay Driving Test Centre Routes

To make driving tests more representative of real-life driving, the DVSA no longer publishes official test routes. However, you can find a number of recent routes used at the Herne Bay driving test centre in this document.

While test routes from this centre are likely to be very similar to those below, you should treat this document as a rough guide only. Exact test routes are at the examiners' discretion and are subject to change.

Route Number	1
