

## Garretts Green Driving Test Centre Routes

To make driving tests more representative of real-life driving, the DVSA no longer publishes official test routes. However, you can find a number of recent routes used at the Garretts Green driving test centre in this document.

***While test routes from this centre are likely to be very similar to those below, you should treat this document as a rough guide only. Exact test routes are at the examiners' discretion and are subject to change.***
